

Christmas is almost here! Let's give Jesus in the midst to everyone!

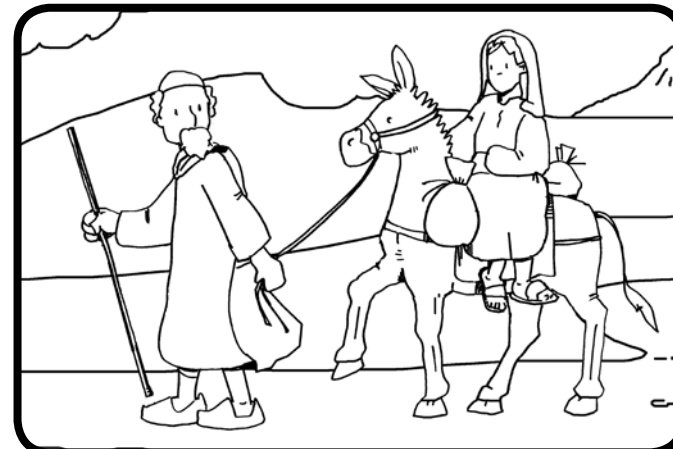

"May the Lord make you increase and abound in love for one another and for all." (1 Thes 3:12)

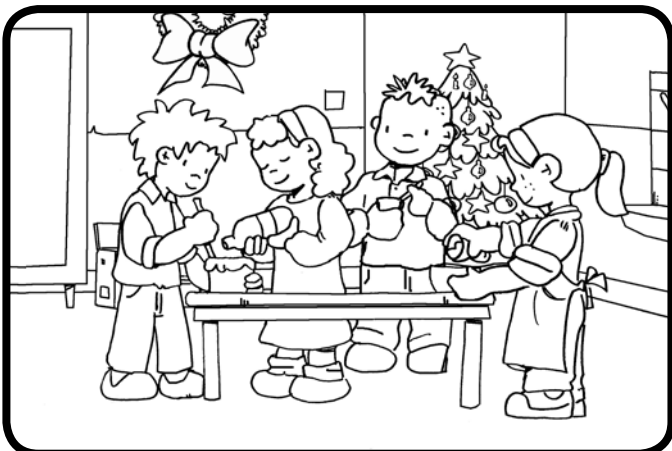

Joseph wanted to marry Mary, but before their wedding day he learned that she was expecting a baby.

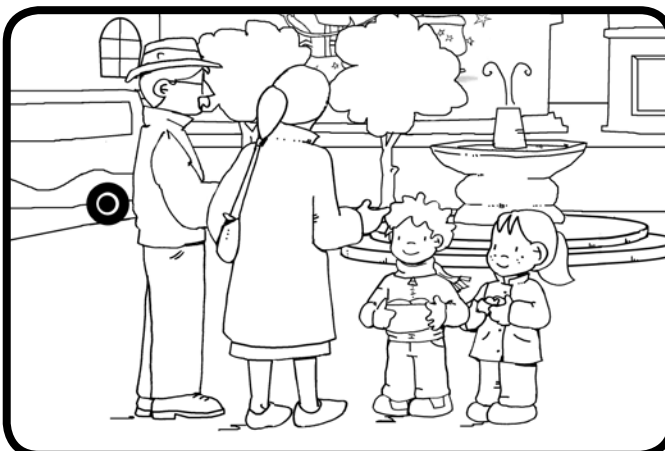

An angel appeared to him in a dream and told him, "Joseph, don't be afraid to take Mary as your wife because it is by the Holy Spirit that she has conceived."

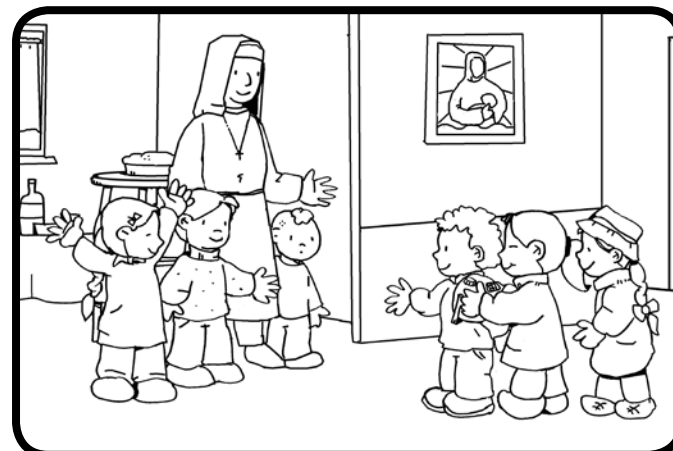

So they got married and Joseph protected Mary with great love, especially on their trip to Bethlehem where Jesus was born.

Like every year at Christmas time, the Gen 4 boys and girls from Sicily in Italy prepare the Baby Jesus project, making small plaster figurines of Jesus to offer to everyone.

With their friends they went to the center of the city and offered Baby Jesus to all the shoppers. Many people donated money for the poor. Part of this money went to a very special place.

The next day the Gen 4 went to visit the orphans in their city. They had lunch with them and brought them a very nice gift. Do you know what it was? A CD player! Just what the children wanted!
